Our Staff is sorry to see a long time employee, Robert Waknuk, retire. After 16 years of dedicated service, Bob has decided to stop and smell the roses. He will be dearly missed (although he's just up the road). Bob's dedication to detail is what gave Chinook Cove Golf it's reputation and we are ever so blessed to have employed him for all these years.

Joke

After a particularly poor game of golf, a popular club member skipped the clubhouse and started to go home. As he was walking to the parking lot to get his car, a policeman stopped him and asked, "Did you tee off on the sixteenth hole about twenty minutes ago?"

"Yes", the golfer responded.

"Did you happen to hook your ball so that it went over the trees and off the course?"

"Yes, I did. How did you know?" he asked.

"Well," said the policeman very seriously, "Your ball flew out onto the highway and crashed through driver's windshield. The car went out of control, crashing into five other cars and a fire truck. The fire truck couldn't make it to the fire, and the building burned down. So, what are you going to do about it?"

The golfer thought it over carefully and responded....

"I think I'll close my stance a little bit, tighten my grip and lower my right thumb".

CHARLIE

Charlie, the Golden Retriever at Chinook Cove

and has been our official greeter here for 7 years this July. Most of you know he loves to fetch but he doesn't always like to give up his ball either. Some of our customers have taken to bringing Charlie toys and as well as treats.

He loves the toys and attention but we just want to say **PLEASE** do not feed him. As you can tell by his girth, he is already well fed (regardless of what he tells you). Charlie has dietary allergies and we don't want him to be a bothersome bum. Please let us know if his presence or behavior bothers you.
